The water meter scheme has taken shape.
This means a water meter in every flat and it means a general raise of rents on tenants.
It also means a tremendous expense to landlords.
The only beneficiaries will be the makers of water meters.
The City Water Department proposes to make 300,000 people in Chicago put in water meters.
The tendency among office holders to ask for laws lengthening their terms of office is working up a strong feeling among the people for a recall law. When there is a recall law in operation the terms of the incumbents can be regulated to suit the popular taste.

No imported beer on the market today has met with greater success than that handled by August Luchow. The Original Pilsener, from Pilsen, Bohemia, is sold by this big concern, as is also the famous Würzburger Hofbräu from Würzburg, Bavaria. These beers are the favorites at Chicago's leading clubs, restaurants and buffets. They are without a peer. The Chicago offices of August Luchow are located in the Stock Exchange building, 30 North LaSalle street and are under the management of Hans Luchow. Mr. Luchow has made a splendid record for the business in the West and he enjoys a widespread popularity among Chicago's leading business men and citizens.—Advertisement.
